宾客四方，名满天下。瑞美秉承“高品质，更安全”的产品理念，不断深耕，让用户臻享触手可及的精致体验。瑞美现已构建稳定的系统性营销网络，成为全球高端门窗系统企业的优选合作伙伴！

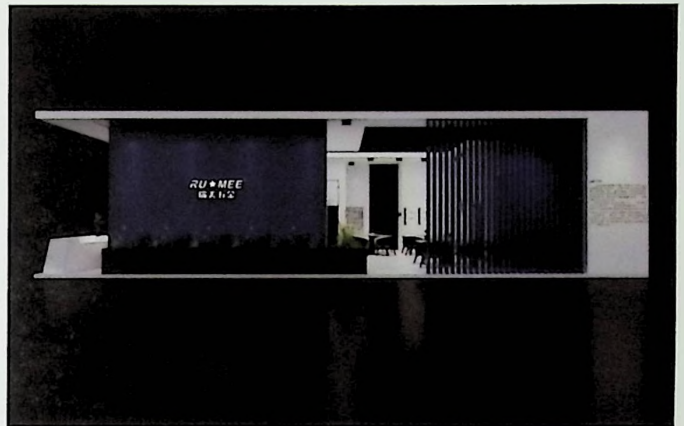

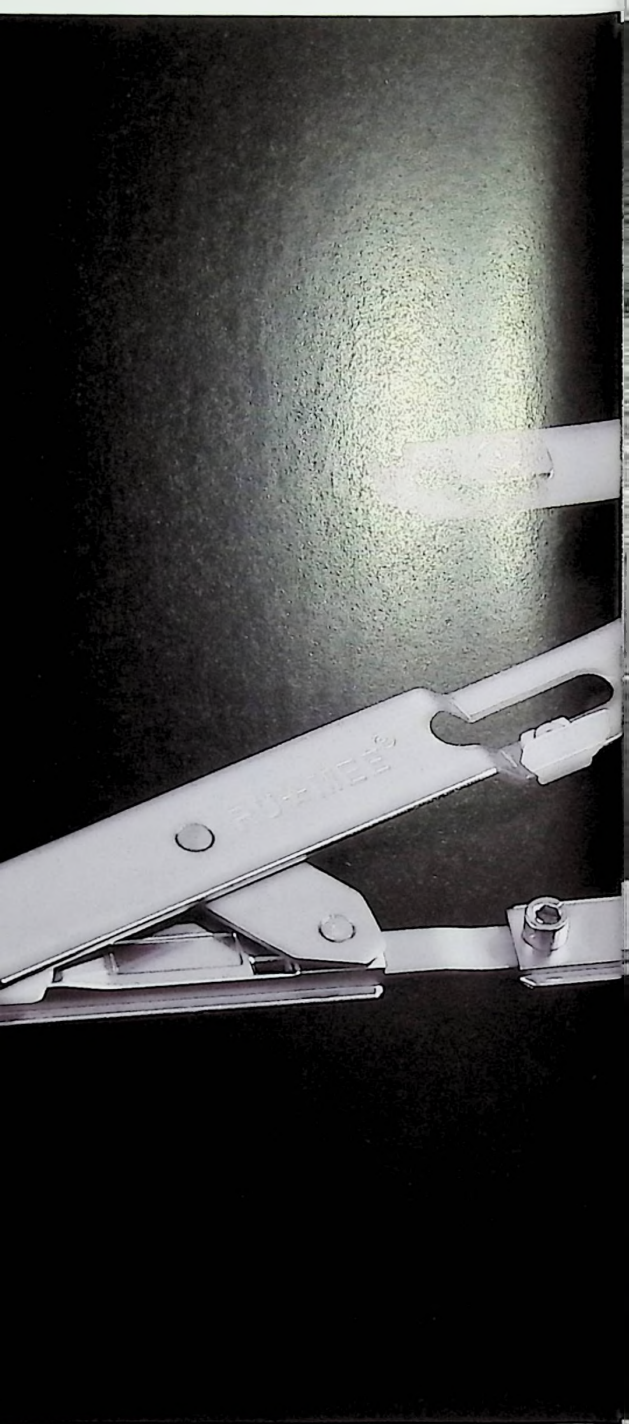

A brief introduction to Ruimei Hardware For more than 15 years, Ruimei window and door systems have been preferred by architects, designers, property developers, and industry leaders, creating a long-lasting product system. Embracing trends and breaking boundaries, Ruimei interprets art's charm with elegant aesthetics, and uses the impression of refined workmanship to highlight self-image. Having developed more than 30 patents, Ruimei has become a renowned brand around the globe for combining performance innovation with luxury style. Ruimei has received numerous awards throughout its history, including the "China Famous Brand", "Star Shine Award in the Home Door and Window Industry", and the "National High-tech Enterprise". The Professional Committee of System Doors and Windows of China Building Materials Circulation Association recommended "Ruimei Hardware" as a supporting product in 2023. Recruiting guests from around the world and filling the world with fame, Ruimei adheres to the product concept of "high quality and more safety" and continues to plough deeper and deeper to allow users to enjoy the exquisite experience. Currently, Ruimei has built a stable and systematic marketing network and established itself as a preferred partner for global high-end door and window companies.
